

# **NATIONAL LAW UNIVERSITY DELHI**

**LL.M. (Professional), Semester-II (LBSNAA Students-Batch of 2020)**

**End Semester Assessment (Online), September-2022**

## **Paper: Sustainable Development**

Time: 6:00 hrs

Total Marks: 100

### **Instructions:**

1. Attempt all the questions. All questions carry equal marks.
  2. Answer to any question should not exceed more than 1000 words.
  3. No clarification shall be sought on the question paper.
- 

1. "Global South claims that their right to development is hampered by the restrictive covenants of Multi-Lateral Environmental agreements on Sustainable Development". Critically evaluate the above statement in the light of present discourse in international environmental law.
2. Trace the approach of Indian Supreme court on Sustainable Development with the help of case laws.
3. Describe the contours of inter-generational and intra-generational equities under international law? Support your answer with the help of appropriate provisions of declarations/conventions.
4. Are Environmental concerns suitably accounted for under free trade regime?
5. "Precautionary principle has changed the discourse on principles of liabilities for environmental harm". Elucidate.
